**October 11<sup>th</sup>** will be North of Main St,

**12<sup>th</sup>** will be South of Main St,

**13<sup>th</sup>** will be for dead-ends and any problems.

The Village of Farwell

Trick or treating hours are set  
for October 31, 2017

from 5:30pm to 7:30pm

The annual Halloween Party will be held at the Farwell Farmers Market at the corner of South Hall St. and Illinois St. in the big pole barn on Saturday, October 28, 2017 from 2pm to 4pm. We will have food, prizes, and candy!

The Farmers Market will be having a Harvest Party on Saturday, October 21, 2017 from 10am to 12pm. We will have pumpkin painting, and trick or treating. Come out and have some fun!

HAPPY HALLOWEEN

## Village of Farwell Park Project Update

As most of you have seen the Village of Farwell has been busy updating the Park. We have a few stages approved and will be receiving 3 grant from the DNR and 1 from the Friends of Clare County Parks and Recreation.

We have added a walkway from South Hall to South Superior, a landscaped area that will soon have a solar panel information center. We hope you all are enjoying the new updates.

We now are starting on Phase II Part 1 with our Farwell Park Placemaking Improvements of the Playground. We will completely renovate the playground in the Village's Downtown Park.

The Farwell Park is a 1.43 acre park that shares its downtown site with the Village of Farwell Hall. The park is bounded on the north by M-115 and the Pere Marquette State Trail on the south. Phase II of the park improvements will build upon Phase I's improvements to handicapped accessibility through path construction, and enhance its capabilities to function as a host location for Village events. The playground portion of Phase II will address the lack of handicapped accessible equipment, the spread-out nature of the existing equipment, lack of age-focused equipment, and lack of safety surfacing while improving landscaping, the benches and street furniture for families with children.

Part 2 of Phase II will consist of updating the park's picnic area. Currently the picnic area is not handicapped accessible due to the lack of pathways and non-handicapped accessible picnic tables. We will have an accessible parking space to the east of the picnic area. The picnic area will receive a crushed stone surface to allow for accessibility, new universally accessible tables will be installed, and improvements to the pavilion, including feasible accessible modifications to the existing restrooms will be made along with new lightening and landscaping in the area.

We are selling T-shirts at the Village of Farwell Office to help with funds we are short of, if you are interested in taking part of the Farwell Park Project please contact the Village Office at (989)588-9926. An order form has been included if you would like to place and order for a T-Shirt or just make a donation.
