I. DPW Supervisor Discussion:

There was discussion on what is best for the Village at this time. There were questions as to if the Village needs four employees down at the DPW, if the budget could hold four DPW employees, and also a question of possibly looking at combining our DPW with Clare or contracting work out with Clare. The council concluded that the Village needs to hire a DPW Supervisor to best meet the needs here in the Village.

The Council agreed to run an ad in the paper for two weeks (March 24th and March 31st) with applications and resume's due by Monday, April 10th at 4pm. The Council will review applications in the office to select candidates for interviews April 11-13. At the April 18th Council meeting the Council will discuss the interview dates, times, and candidates.

Meeting adjourned at 6:44 pm.
