Yard Waste/Brush may be disposed monthly from April 1<sup>st</sup> thru November 30<sup>th</sup>

- Brush will be picked up on the 2<sup>nd</sup> Wednesday, and/or as needed
- Yard Waste will be picked up on the 3<sup>rd</sup> Wednesday, and/or as needed

***WEATHER PERMITTING!!***

### Yard Waste

All yard waste must be separated from general refuse and brush, and placed within two feet from the curb or road.

Yard Waste includes:

- Grass Clippings
- Garden Waste
- Leaves
- Trimmings from shrubs or brushes

For best clean up, place yard waste in a single row along the curb/road instead of piles.

### Brush

Branches and trimmings will be picked up with the exception of limbs over six inches in diameter and/or 10 feet in length.

Residents that have trees removed MUST make arrangements for the disposal of the branches, wood, and tree stumps. Residents are responsible for the COMPLETE clean up.

\*\*If you have not complied with this policy, our DPW will not pick up the yard waste or brush. Instead they will leave a tag on your door stating why they did not pick up the waste/brush. The resident will have a maximum of two weeks to fix the issue, otherwise the resident could be subject to a fine. The Village's goal with this policy is to avoid unnecessary damage to your property and/or the Village equipment.
