Water Workshop Minutes Monday, September 19, 2016 at 6:00pm

**Call meeting to order at 6pm
Pledge of Allegiance**

- I. **Availability Rate-** There were some discussions on whether the Village should create a new rate for vacant lots, instead of the owners having to pay the availability charges. The office will look into how many properties there are in the Village limits. There was a suggestion of \$25, but more discussion to come at future meetings.
- II. **Summer Sewer Discount-** The discussion of whether the Village will continue to give a discount in the future was discussed. Tracy will call BS&A for more information on utilizing the system, where the system will do the discount.
- III. **Parking Tickets-** Discussion on whether the Council thought it was a good idea for Rod to look into being able to write parking tickets in the Village limits. Rod will get us a price on the cost for tickets. Signs will be put in place.
- IV. **Purchasing Policy-** Discussion on bringing suggestions regarding the dollar limits for the policy to the COW meeting was asked for the Council.
- V. **Thrift Way-** The building is possibly going to be demolished. Gina will call Kelly O'Day to discuss further.

**Meeting adjourned 8:25pm
Minutes taken by Kayla Randle, Clerk**
