FARWELL AREA HISTORICAL MUSEUM

Did you know bee smokers were made in Farwell from around
1898 – 1910? There is one on display at the museum. T.F.
Bingham made them in a building in the middle of the block west
of Eagle Pharmacy. He was a jeweler and apiarist.

Stop by the Museum on Saturdays Noon to 4pm or Monday,
Wednesday, or Friday 1:30 to 5:30pm to see the smoker and
other items in the museum.

We are seeking old photos of Farwell before 1910, the earlier the
photos the better. We do not have a photo of the County Court
House in Farwell. Yes, Farwell was the County Seat from 1871 –
1877. We also need a good photo of the Ann Arbor Railroad
Depot.

If you can help us with these photos or any other old ones, please
call the Museum at (989)588-0508.
